

# Horses for Sale

Barbara Strawson, LLC is offering a few select European and American bred horses for sale that meet the premium breeding standards for dressage. With the athletic and physical abilities already passed on by their superb bloodlines and the time taken under international training standards, these horses have the character and personality to match their natural talent.

**Ready for Florida! -**  
**Trust Me- 2000 17h Dutch Warmblood Gelding**  
 (Welt Hit II x Wolfgang)

Not only does this dark bay gelding have stunning good looks, but he also has the personality to go with them. When he elegantly enters an arena, he definitely has the presence to demand attention. He is light to the aids with a soft mouth, and willing and ready to give a winning performance. Trusty has been shown through Prix St. George with scores in the 70<sup>th</sup> percentile; with a talent for Grand Prix, he is ready to go on his way to the top. He is currently in training with an FEI professional, and his price will adjust with his advanced level of training. This stunner is suitable for a skilled amateur, or a professional who needs an FEI horse.

**Arden - 2004 16.2h Hanoverian Gelding**  
 (Absolute x Broganxx)

Absolute was the only fully approved Hanoverian stallion by Abundance. He was also the first Hanoverian stallion bred, born and trained in the United States to pass the first 100-Day Test held in the US. Absolute competed in dressage, combined training, jumpers and driving. He was a charter stallion of the International Jumper Futurity, and a nominated stallion to the International Hunter Futurity. Recently started by an FEI trainer, Arden has the fluid movement and scope for upper level dressage. His willing attitude and aptitude will take him far in his career. Arden is bred by Phox Phalian Farm in Gilbertsville, PA

**Danika- 2005 16h Hanoverian Mare**  
 (Dobrock x Abundance)

Abundance was an impressive stallion who was imported to the United States in the fall of 1965 by A. A. Steiert. He stood at Watermark Farm in the late 1970s and early 80s. His sire, Absatz, is credited with bringing the Hanoverian horse into the modern age of sport competition, as he lightened the heavy, old style mares and increased their hind leg activity. Danika's impressive breeding shows in her movement as well as her personality. With the talent to match her winning ways, she is ready to learn and take her rider wherever they wish to go. Danika is bred by Phox Phalian Farm in Gilbertsville, PA.
